DETAILED ACTION

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

1. Claims 1, 7, 13, 19 and 20 recite the limitation "said source server system " in lines 10, 13, 11, 14 and 12 respectively. There is insufficient antecedent basis for this limitation in the claim.

Claim Rejections - 35 USC § 102

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(e) the invention was described in (1) an application for patent, published under section 122(b), by another filed in the United States before the invention by the applicant for patent or (2) a patent granted on an application for patent by another filed in the United States before the invention by the applicant for patent, except that an international application filed under the treaty defined in section 351(a) shall have the effects for purposes of this subsection of an application filed in the United States only if the international application designated the United States and was published under Article 21(2) of such treaty in the English language.

2. Claims 1-20 are rejected under 35 U.S.C. 102(e) as being anticipated by Ellendman US 2003/0048298.

2.1 Regarding claims 1, 7, 13, 19 and 20, Ellendman discloses a method, system and computer program for sending an e-mail message to a list of recipients with exclusions, comprising:

determining at least one include set of recipients in recipients fields 21-23 (figure 2, OrgList, ExecCommList, and MediaList);

determining at least one exclude set of recipient(s) in remove fields 24 and 26-28 (figure 2);

assigning, by a sending (source) server (such as an e-mail server associated with Headquarters), at least a difference set of recipients between the included set and the exclude set (paragraph 0016-0028);

determining by a destination server (such as an e-mail server associated with RadioStation, or TVStation, or NationalPaper) a result from the assigning and sending the e-mail message to the assigned recipients (paragraphs 24-28) (note: the e-mail server associated with Headquarter also acting as a destination server, see paragraph 16-18).

2.2 Regarding claims 2, 8 and 14, Ellendman teaches a carbon copy (Cc) address filed 22 in figure 2.

2.3 Regarding claims 3, 9 and 15, Ellendman teaches a blind carbon copy (Bcc) address filed 23 in figure 2.

2.4 Regarding claims 4, 10 and 16, Ellendman teaches a distribution list including an OrgList which is an organization list associated with a sender (figure 2; paragraph 0016).

2.5 Regarding claims 5, 11, and 17, Ellendman teaches a distribution list (first list, or OrgList) and a remove list (second list, or Manager List), wherein the server (which is both the source server and destination server) removes the Manager List from the OrgList (paragraph 0016-0019).

2.6 Regarding claims 6, 12, and 18, Ellendman teaches a ExecCommList (third list) in field 22 and a fourth list in the field of 27 (figure 2; paragraph 0020-0023).

Response to Arguments

3. Applicant's arguments with respect to claims 1-20 have been considered but are moot in view of the new ground(s) of rejection.

Conclusion

4. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the

Art Unit: 2614

shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
